

# Accordion Babes 2017 Recording Release Form

I give my permission to reproduce my recorded song in up to 5,000 copies of the 2017 Accordion Babes compilation CD. By signing this, I am declaring that I own the full rights to this recording, or that I have secured the necessary permission from any other owners of this recording. I also declare that this is either an original composition or a public domain song. I understand that I am not receiving money immediately from CD sales or online downloads, and that my only guaranteed compensation is one free calendar and the right to purchase more calendars at cost for resale or any other use. I understand that there may be a royalty percentage based on equitable terms paid out to me after the goal of 1,000 internet downloads of the Accordion Babes 2017 album is achieved. I understand that I get to keep all proceeds from my own sales of the 2017 Accordion Babes Pin-Up Calendar and CD.

I give my permission to release this recording on the radio, TV, and internet to promote the Accordion Babes Album & Pin-Up Calendar. I also give my permission to reproduce this recording on the mobile app version of the Accordion Babes 2015 calendar.

I understand that the recording will not be available for digital sale from the Accordion Babes distribution network individually, only as part of a collective package which includes the calendar or the mobile app.
